

Charmark Ranches *2nd Annual Bull Sale*

THURSDAY, MARCH 31, 2022 • 1:00 PM
BOW SLOPE SHIPPING, BROOKS, AB

42 Registered Charolais Two-Year Olds

I am excited to welcome you to our 2nd Annual Bull Sale!

The topic of the winter surely has to be the ongoing drought. With a little luck mother nature will swing in our favor, and relief will be around the corner. Cow numbers are surely down, and better prices seem imminent. We feel this offering of bulls is our strongest yet, and are confident they meet the requirements of the commercial cattleman for now and into the future. We focus on structural soundness, feet, muscle, easy doing, and most importantly calving! These are the traits we select for, and make culling decisions on. We have DNA tested these bulls for genes that impact the important traits like dry matter intake, ADG, carcass size, cutability, and marbling. These traits are strongly sought after, and this gives you a chance to 'look under the hood' so to speak, and help differentiate the bulls potential for siring high performance calves in your herd. If there is anything we can do to help inform your buying decisions, or you just want to have a visit give us a call and we would love to chat.

Take Care,
Leigh

Welcome to the 2nd Annual Charmark Bull Sale. If you didn't attend or watch last year's sale, you will want to be there this year. Dollars for quality, it was as good of buying as you could do last spring, in my opinion. These are as thick and good footed set of coming two-year old bulls, as you will find this spring. The Marquess family have been raising Charolais bulls for decades and the quality and consistency is continuing to improve. The ranch is an hour north of Brooks in shortgrass country. Most of the bulls were calved on grass and raised in a ranch setting. They will go out and work for you. If there was a problem calving, they are not here.

There are many $\frac{1}{2}$ and $\frac{3}{4}$ brothers and most of them have the proven, Full French sire, Anjou Pure Power back in the pedigree. They have also been Leptin tested with Q-Select and there is a full explanation of the advantages of these tests and which bulls have the different genetic results.

There are many polled bulls with that added French thickness.

Get the identifiable Charolais colour with tops and butts that will put your calves in the top sort pens and top the market. The bulls are available for viewing at the farm, or at Bow Slope Shipping, in Brooks, the morning of the sale.

You can also view the sale and bid on ByLivestock Online. See the catalogue, videos and register to bid at www.bylivestock.com.

We look forward to seeing you sale day. If Jon, Candace, or I can be of any assistance before the sale, or on sale day, please don't hesitate to give us a call. We would be happy to find you bulls that are right for your program.

Sincerely,
Helge & Candace By
Jon & Sarah Wright

Bull Videos

Videos of the bulls are available for viewing at
www.bylivestock.com.

Semen Tests

All bulls will be semen tested prior to sale time. Weights and scrotal measurements will be available sale day.

Internet Bidding

**By ONLINE
LIVESTOCK**

INTERNET BIDDING AVAILABLE

Register to bid online by visiting
www.bylivestock.com

- Create a free account on the sale login page.
- Once created, you will receive an email to activate your account. Check your spam folder if you do not see it soon after registering.
- Once your account is created, you are able to bid on ANY By Livestock Online Sale.

Need Some Assistance?
No Problem! Give Us A Call!
306-640-7680

Absentee Buying

If you are unable to attend on sale day, give Leigh, or sale staff a call. We would be happy to assist you with your purchase.

Delivery

We can offer delivery for \$75 for up to 300 km. The bulls can go back home and be kept until May 1st free of charge, but we ask they be insured. After May 1st there will be a \$5/day charge to cover the cost of feed.

Insurance

The bulls become your responsibility as soon as they are sold. We recommend you insure your purchases.

Credit Card Purchases

Purchases may be made using Visa or Mastercard. A 4% surcharge will be applied.

Viewing of the Bulls

Bulls are available for viewing at the ranch, or at Bow Slope the day before the sale.

Q·select

a powerful
selection tool
for your herd

Select the traits you want in your herd

Q-select focuses on beef production traits that are economically important. Choose the traits that are important to you and identify which animals carry the essential genetics to promote those traits in your herd. Pair Q-select genotypes with other physical attributes to select the best bulls and replacement heifers.

Each genetic marker has undergone extensive peer reviewed research studies, and the economic traits that have been associated with each genetic marker have been proven through rigorous large scale testing.

Get The Performance You Want

A LEPTIN TT genotype animal has an increased rate of fat accumulation as compared to a LEPTIN CC animal.

OTHER BENEFITS include:

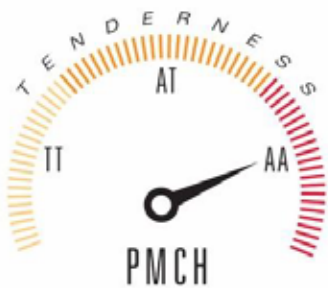

increased weaning weight

increased cow productive life

increased milk production

increased 12th rib backfat

impacts marbling & yield grade

A PMCH AA genotype animal has increased fat deposition compared to a PMCH TT animal.

OTHER BENEFITS include:

increased tenderness

increased marbling fat

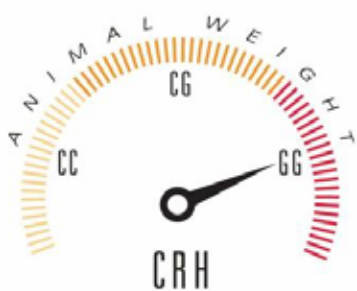

increased 12th rib backfat

An IGF2 CC genotype animal has increased lean growth compared to an IGF2 TT animal.

OTHER BENEFITS include:

larger rib eye

A CRH GG genotype animal has increased weight compared to a CRH CC animal.

OTHER BENEFITS include:

increased hot carcass weight

increased rib eye area

Trait Heritability

Q-select is 100% heritable. Knowing the genotypes associated with desired traits means you can choose mating pairs to introduce desired genotypes into your herd and continue to pass on essential genetics.

Terms & Conditions

TERMS: The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

BIDDING: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DISPUTES: Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

ANNOUNCEMENTS: Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

DELIVERY: Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

BREEDER GUARANTEE: Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows

known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

SALE MANAGER: By Livestock is only acting as a medium between the buyer and seller and is not responsible for failure on the part of either party to live up to their obligations; or for the truth of any warranties or representations, expressed or implied. By Livestock assumes no obligation to enforce or collect monies between parties. By Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action taken in exceptional cases must be between the buyer and the seller. The buyer must look to the seller for fulfilment of all guarantees and representations.

INSURANCE: Insurance will be available sale day.

PICTURES: By attending the sale you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale.
